

Tait Farm Foods In The Greenhouse

FERTRELL FERTILIZERS

Fertrell is a Pennsylvania based fertilizer company specializing in natural and organic fertilizers and soil amendments. Fertrell meets the standards for the National Organic Program and is committed to sustainable agricultural practices.

BERRY MIX 4-2-4

A mix of N,P,K formulated to increase yields and produce larger and tastier berries. Most effective when applied at the end of the season. Includes Boron and Zinc.

FLOWER CARE 3-4-3

A mix of N,P,K formulated to increase the health of flowers and produce more blooms. High phosphorus content speeds germination and promotes rapid growth.

SUPER PLANT FOOD 3-2-3

A mix of N,P,K that is well suited for most plant applications. Most effective for spring plantings. Remains available throughout the growing season. Also effective on lawns: increases microbial life and root growth. Aids in long-term soil nutrition.

TOMATO GROWER 3-4-7

A mix of N,P,K specially formulated to allow tomatoes to thrive and produce large and flavorful tomatoes all season. Apply once in spring and once in the middle of the growing season.

VEGETABLE BLEND 5-3-4

The key ingredient in this blend includes aragonite and kelp meal which promotes healthy soil and stimulates plant root development. Apply in the spring and once again during the growing season.
